

THE PILOT BOAT

LYME REGIS

Hello

Hope this finds you safe and well. At long last, it is the moment we have all been waiting for and we cannot wait to welcome you back to The Pilot Boat. Whilst we cannot quite open the front doors just yet, we can open our terrace for groups of 2 households or groups of up to 6 people from mixed households, to enjoy some alfresco eating and drinking from April 12th.

Whilst we are all keeping everything crossed for good weather, it is best to come prepared for every eventuality, so wrap up warm, bring a blanket and perhaps even an umbrella, just in case. Also, you are welcome to use the toilets inside. We hope to open from 10.00 until 20.00. Our opening times are weather permitting and can change at short notice! You will not be able to shelter inside.

Face Coverings: Need to be worn until seated at your table, please wear them if you need to come inside the pub to use the toilet. Our team will still be wearing face coverings for now, as per government guidance.

Table Bookings: Due to the unpredictability of the weather and limited capacity, we will not be taking table bookings and tables will be offered on a first come, first served basis. We will make every effort to accommodate you.

Our Menu: Breakfast will be available from 10.00 until 11.30. Whilst we are outside, our pizza menu will be the only option available from 12.00 until 19.00.

We really cannot wait to get going again, doing what we love best and welcoming you back!
